

Position Description

Position Title: Internship – Naples Garden Club Idea Garden

Department: Horticulture

Reports directly to: Curator of Collections

Organizational Description: Naples Botanical Garden is a 170-acre world-class paradise, featuring the flora and cultures of the tropics and subtropics between the latitudes of 26 degrees north and 26 degrees south, including Brazil, the Caribbean, Southeast Asia and Florida. The Garden's mission is to connect people and plants through display, education, conservation and science. The Garden's hands-on Vicky C. and David Byron Smith Children's Garden, along with 90 acres of beautifully restored native habitats, formal Gardens, walking trails, and Buehler Family Foundation Enabling Garden offer education and enjoyment for people of all ages. Naples Botanical Garden is a 501(c) 3 organization.

Position Summary:

Naples Botanical Garden is seeking an intern for the Naples Garden Club Idea Garden. The Garden Club Idea Garden is a horticulturally intensive landscape designed to inspire home gardeners with inventive design ideas, regionally and seasonally appropriate plant palettes and sustainable gardening techniques that can be replicated in a residential setting. The successful candidate will collaborate with Garden staff, volunteers and community partners to design, plan and interpret novel horticultural displays that a home gardener can recreate in their own garden and assist in the daily horticultural and interpretational activities in the Naples Garden Club Idea Garden. This paid position is full-time (40 hours/week) temporary for a minimum of 12 weeks or part-time temporary for an equivalent period.

Primary duties:

- Collaborate with Garden staff, volunteers and Naples Garden Club Members to design, plan and interpret novel horticultural displays that a home gardener could re-create, including materials, species lists and 'how-to' information.
 - Collaborate with Garden staff and volunteers in the day-to-day horticultural activities in the Garden Club Idea Garden.
 - Write short informative articles for the Garden's website focusing on inventive design ideas, regionally and seasonally relevant plants, and seasonal gardening techniques.
 - This position will have opportunities to work closely with Garden staff to learn regionally appropriate plants, sustainable horticulture techniques, and design for displays.
-

Requirements of Internship:

The ideal candidate should:

- Be pursuing a degree in the field of horticulture, landscape architecture and/or design or a related field;

- Be highly motivated and organized with a strong work ethic;
- Be willing and able to work full days outdoors in a hot and humid environment with the ability to lift and carry at least 35 pounds;
- Possess a commitment to the Garden's mission of connecting people with plants with a demonstrated ability and interest in gardening;
- Possess excellent written and oral communication, organizational, and interpersonal skills; and
- Possess and maintain a valid Florida driver's license and have an acceptable driving record.

A pre-employment background check required.

To Apply: Please provide a cover letter, resume, and contact information for three references by email to resumes@naplesgarden.org. Please include **Idea Garden Internship** in the subject line.
