

Members Impact Our Mission

Whether you want to explore on your own, join a walking tour, or attend a special event, the Garden is ready for you to discover its beauty around each corner. Every seasonal change brings unique blooms to the botanical diversity throughout our 170-acre nationally recognized Garden.

Your purchase of a membership signals an active role in promoting the conservation of our Florida habitat and tropical flora, access to youth and adult educational programming, and preserving a beautiful and inspiring space to enjoy our natural world – today and for the future.
