

### Horticulture

All horticulture positions involve working outdoors and participating in activities such as watering, mulching, digging, etc. Areas include: Display Gardens, Natural Areas, Nursery, Children's Garden, Orchids, Aquatic Horticulture.

### Education & Visitor Experience

**Garden Host:** Our Garden Hosts will walk throughout the Garden, answering guest questions, taking photos for guests, providing directions, information on upcoming special events, and just generally enhancing the visitor experience.

**Information Station:** Guests see these volunteers first upon entering the Garden, and duties may include: Greeting Garden guests, providing directions, directing guests to special events, providing Garden information, registering guests for daily tours.

**Special Events Volunteer:** Volunteers may sign up for any of our special events, where duties may include: Wayfinder, Ticketing, Golf Cart Driver, Greeter, depending upon the event.

**Youth Tour Assistant:** Aiding Garden staff with setup/breakdown of program, assisting with group management, interacting with students, helping with planned activities.

### Retail

**Garden Store Assistant:** While working in the Berger Shop in the Garden, these volunteers will greet and engage visitors, sell/bag merchandise, stock shelves, file invoices, dust/sweep/vacuum as needed, receive and ticket new merchandise

**Visitor Services Assistant:** Stationed at ticketing, these volunteers keep the flow of guests moving to available ticketing windows, assist guests with wheelchairs/scooters, engage with guests while they wait in ticketing line.

**Retail Plant Assistant:** Assisting guests in plant selection, watering and trimming plants, unloading/transporting of plants when needed, ensuring that all plants are properly ticketed.

### Collections

**Plant Label/Records Assistant:** While volunteering in Collections, the duties may include plant labeling, record keeping, data entry, photographing plants, performance evaluation of plants.

These are some of the many opportunities available for volunteers at Naples Botanical Garden. After submitting your online application and attending our New Volunteer Orientation (held quarterly), you will be given more information about these opportunities. We look forward to seeing you there!

\*All volunteer opportunities subject to availability and/or seasonal needs.
