**For Immediate Release**

## **Naples Botanical Garden reopening to Members starting June 22, Open to the public starting July 6**

**NAPLES, FL – June 11, 2020** – Naples Botanical Garden is reopening to Members beginning Monday, June 22 and to the public starting Monday, July 6. In observance of new safety protocols and to ensure social distancing standards, timed ticketing is a part of our enhanced Garden experience for all guests; Members may purchase a no-cost ticket online at [naplesgarden.org](https://www.naplesgarden.org) for entry times. The Garden is open 9 a.m. to 2 p.m., last tickets available at 12 p.m.

Collier and Lee County residents may enjoy discounted admission to the Garden July 6 through October 1; adults are \$10, and children are free.

The Garden team has worked diligently behind the scenes to reopen so we can all once again enjoy acres of beautiful collections. Enhanced safety protocols will be a part of your Garden experience, and installation of equipment and training methods during this closure have been a priority.

Please check our [Plan Your Visit](#) page for more information on [safety enhancements and guidelines](#), including, but not limited to:

- timed entry 9 a.m. – noon;
- touchless water bottle filling stations;
- hand sanitizer stations;
- plexi-glass ticketing windows and intercoms;
- one-way walking paths;
- temporary closure of the Smith Children’s Garden, LaGrippe Orchid Garden, portions of the Lea Asian Garden; and other areas; and
- masks required in specified areas.

[Fogg Café](#) will be open during the Garden's hours of operation; Members enjoy a 10% discount on all food purchases!

Stay connected with the Garden when you're not here through our new interactive resource, [naplesgarden.org/stayplanted](https://naplesgarden.org/stayplanted). Spend time with our education staff through DIY videos, craft locally inspired cuisine in the kitchen with the team at Fogg Café, discover the flora surrounding you through our citizen-science initiatives, and more.

### **About Naples Botanical Garden**

Naples Botanical Garden is a 170-acre, world-class garden paradise that features plants from around the world. The Garden provides arts, culture, youth and adult education, conservation, wellness, and volunteer programs that contribute to the quality of life in Southwest Florida onsite and online at [naplesgarden.org](https://naplesgarden.org).
