## Community Foundation of Collier County and Naples Botanical Garden partner to provide trees to community

**NAPLES, FL – July 20, 2020** – Naples Botanical Garden is pleased to have selected, grown, and now begin the distribution of over 3,500 trees in celebration of the 35th Anniversary of the Community Foundation of Collier County (CFCC). CFCC, one of Naples' premiere charitable foundations and the Garden have partnered to share these species, perfect for our Southwest Florida environment.

Distribution of the trees will occur in a variety of locations including Naples Botanical Garden, with each date to be announced. The giveaway kicks off Friday, July 24 from 9 am to 12 pm at the Garden. To maintain social distancing, guests are asked to drive up to the tents erected in the Garden's main parking lot and select their trees.

Each complimentary tree comes with a tag providing information on the plant and how to ensure it will thrive in the landscape for years to come. The trees available July 24 are Bald Cypress (*Taxodium distichum*), Golden Shower Tree (*Cassia fistula*), and Florida Fiddlewood (*Citharexylum spinosum*). No ticket purchase is required and tree selection is subject to change.

**Cameras are welcome at the Garden on Friday, July 24 beginning at 9 am, with staff available for comment.**
