## **Naples Botanical Garden Extends Community Appreciation Access Initiative**

**NAPLES, FL – May 20, 2021** –Naples Botanical Garden appreciates essential workers and the critical role they played keeping our community connected and cared for during the height of COVID-19 pandemic and to this day. As a token of thanks, the Garden invites workers and their families to visit the Garden on a complimentary basis. This inclusive access program, which began Monday, July 6, 2020, and was originally intended to sunset May 31, has just been extended to Thursday, September 30, 2021. Individuals and families using these company-provided codes have regular Garden access and can visit as many times as they would like during regular hours of operation, through the end of the initiative.

Garden leadership and staff hope to share the beauty of the accessible 170 acres, its benefits of health and restoration, and a deep connection with nature. As a community we continue to stand together; we sincerely thank you!

Any employers who wish to make this program available to their employees may

contact the Garden at [corporate@naplesgarden.org](mailto:corporate@naplesgarden.org) to receive industry-specific complimentary access codes. Employees who wish to engage in this special program are encouraged to contact their Human Resources department or manager.
