New to the Garden: First-Ever Plein Air Fest!

NAPLES, FL – Jan. 19, 2023 – On Saturday, Jan. 28, from 10 a.m. – 2 p.m., guests are invited to celebrate art in the Garden. This event was born out of the growing Naples art scene and the joy, inspiration, and creativity artists bring to the Garden. Guests will be able to witness more than a dozen local artists create botanically-inspired works in the tradition of painting *en plein air* (“in the open air”). They will also have the opportunity to ask questions, engage in conversation, and gain insight into a variety of artistic processes. Families may participate in hands-on activities, while aspiring artists of all ages are invited to get creative and make their own piece of plein air art to take home. This event is included with Garden admission.

Guests may experience the following:

- Interact with artists throughout the Garden working en plein air.
- Join a special art-themed guided tour at 10 a.m., 12 p.m., or 2 p.m.
- Pick up your own plein air kit, and get creative in the Garden.
- View our three major exhibitions: *STICKWORK*, *La Calavera Catrina*, and *Frida and Her Garden*.
- Engage in art-themed family activities and a reading center in Kapnick Hall.
