Members Support Our Mission!

Naples Botanical Garden conserves the plants and habitats of the tropics, cultivates beauty, offers knowledge, and inspires the protection of nature.

Your support of the Garden as a Member enables people and plants to thrive — together. We look forward to welcoming you each and every visit as you explore these 170 acres. Thank you for joining us in this crucial work to protect and celebrate the plants of the tropics.

Individual, Family, Family & Friends, and Contributing membership levels are fully tax deductible. Sustaining level and higher include a fair market value (FMV) of benefits. The Garden welcomes contributions from all types of funding sources including Donor Advised Funds (DAFs), Individual Retirement Accounts (IRAs), and securities in addition to personal checks and credit cards. IRS rules limit the use of DAF distributions and IRA qualified charitable distributions. We encourage our supporters to consult with their tax advisor regarding questions about these specific gift options and membership.
