Garden weeknights are twice as nice Sunset Wednesdays, Friday After 5

NAPLES, FL – Jan. 30, 2025 – Garden visitors are in for a magical experience during the winter months starting February 5. Sunset Wednesdays offer extended hours from 5 – 8 p.m. with a visual treat: a Naples sunset against the backdrop of thousands of tropical plants.

Sunset Wednesdays Specialty Programs return this year for guests who want to learn something new during their time in the Garden. These ticketed opportunities are created especially for adults with cocktail scavenger hunts, paint and sip

sessions, corsage making, and more. The Garden's newest exhibition, [*Frame & Flora*](#), beckons exploration. Trek to all 17 unique vantage points to see the Garden's tropical plants in a whole new way, awash in the golden hues of sunset.

Fogg Café will be open late for dinner and drinks. The Berger Shop in the Garden also offers extended hours.

Sunset Wednesdays is included with Garden admission; free for Members.
