Naples Botanical Garden Receives Gift From Goodness for Pets and The Seevers Family Foundation

For Immediate Release

NAPLES, FL – January 7, 2026 – Thanks to a generous gift from Sharon Seevers, owner of Goodness for Pets and co-trustee of The Seevers Family Foundation, Naples Botanical Garden can further enhance two annual hallmark events here in Southwest Florida: Family Wonder Days and Johnsonville Night Lights in the Garden. This annual contribution, continuing through 2028, helps strengthen some of the Garden's most family-focused experiences.

"This outstanding gift from Goodness for Pets and The Seevers Family Foundation will additionally support Naples Botanical Garden in bringing Family Wonder Days and Johnsonville Night Lights in the Garden to life and to greater impact" says Naples Botanical Garden President & CEO, Donna McGinnis. "Their support makes it possible to enhance opportunities for families through these popular events to enjoy unique local outdoor experiences, forging a lasting connection with nature."

Family Wonder Days

Family Wonder Days, May 23 & 24, invites families to explore, imagine, and create together through hands-on activities, games, and scavenger hunts.

Johnsonville Night Lights in the Garden

Johnsonville Night Lights in the Garden, which occurs annually late November through early January, offers an evening stroll through the Garden illuminated by thousands of lights, tasty treats and live music by local talent, the perfect time of year for shared memories with friends and family.
